The well being of your health is your responsibility. At Taunton School both the School and the staff are 100% dedicated to helping you making the most of everything hat we offer in a safe and professional matter. To offer this we have carefully considered what we can expect of each other as a fitness club and a member.

Our commitment to you:

1. We will respect your personal decisions, and allow you to make your own decisions about what exercise you can carry out. However, we ask you not to exercise beyond what you consider to be your own abilities.
2. We will make every reasonable effort to make sure that our equipment and facilities are in a safe condition for you to use and enjoy.
3. We will take all reasonable steps to make sure that our staff are qualified to the fitness industry standards as set out by the Register of Exercise Professionals. We will also offer professional advice in terms of both inductions and programmes.
4. If you tell us that you have a disability which puts you at a substantial disadvantage in accessing our equipment and facilities, we will consider what adjustments, if any, are reasonable for us to make.

Your commitment to us:

1. You should not exercise beyond your own abilities. If you know or are concerned that you have a medical condition which might interfere with you exercising safely, before you use our equipment and facilities you should get advice from a relevant medical professional and follow that advice.
2. You should make yourself aware of any rules and instructions, including warning notices, and follow them. Exercise carries its own risks. You should not carry out any activities which you have been told are not suitable for you.
